

Life Cycle of a MEC Field Trip

1

Print Out and Read the MEC Field Trip Handbook

Everything you need to know about planning your field trip

2

Send Home the MEC Student Information Packet to Families

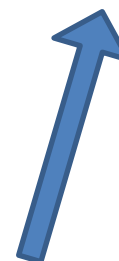

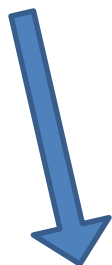

Everything families need to know about and complete for a MEC field trip

5

Arrive at MEC with Your Students for an Amazing Field Trip

Repeat year after year!

3

Print Out and Complete the Activity & Lesson Selection Form

Everything you need to customize your field trip – Please feel free to contact the MEC Director for assistance

4

Print Out and Complete the Teacher Packet

Forms to complete in advance of your trip
