Program/Position Description:  [www.christodora.org](http://www.christodora.org)

Staff at the Manice Education Center work closely together in a supportive atmosphere teaching small, coed groups (10-12 students) of New York City (NYC) public school students in a variety of outdoor classroom and camp settings.

The Manice Education Center (MEC) is intentionally located in a unique outdoor setting within the heart of the Berkshire Mountains of Western Massachusetts. MEC operates several distinctly different seasonal programs that are experientially focused in high-quality environmental education, wilderness camping, and leadership training from May through October.

With a staff to student ratio averaging 1:6, outdoor education counselors and assistant counselors facilitate debates, science labs, cooperative games, group initiatives, and campfires for groups of approximately forty campers. AmeriCorps Outdoor Education Assistant Counselors in our summer programs will lead service projects during wilderness expeditions for campers & can expect to guide an average of 6 backpacking and/or canoeing trips, ranging from 2 to 5 days in length.
