# Manice Education Center

## Foundation Course (7th and 8th Grade) (June 27th- July 10th)

Join us for a 2 week adventure where you will go on a 5-day backpacking trip, enjoy waterfalls, and go canoeing in ponds and bogs. Discover wild foods you can eat and how to build a fire. See how team work makes it all possible!

## Exploratory Course (6th and 7th Grade) (July 14th- July 20th)

If you are new to camping or just want to play and learn outside, join us for 7 days at camp. Backpack or canoe into a nearby state park for your first overnight in the forest. See parts of nature you never knew were there. Get away from it all and relax with new friends!

## Advanced Course (8th and 9th Grade) (July 27th- August 10th)

In this 18-day session, you will paddle down a river from Vermont to New York for 3 days, and hike the Appalachian Trail to the top of Massachusetts' highest mountain. You will also begin to discover your personal leadership abilities and how to protect the wilderness you're enjoying.

## High School Leadership Training Course (9th-12th grade) August 14th- August 24th

During this 11-day course, you will co-lead your friends as you spend 5 days hiking or canoeing together. The Manice staff are ready to support you through these exciting challenges that prepare you to use your leadership skills both in the outdoors and in your daily life!
